Synagogue Shooting – Poway

A man is in custody in connection with a deadly shooting inside a synagogue in Poway. It happened just before 11:30 a.m. on April 27th at Chabad of Poway in the 16000 block of Chabad Way. Deputies from the Poway Sheriff's Station responded after receiving 9-1-1 calls about someone entering the synagogue and opening fire with an assault-type rifle. The lone shooter ran out and drove away from the scene. An off-duty Border Patrol Agent at the synagogue fired a weapon in the suspect's direction. The suspect was not hit; however, a bullet hit the vehicle. Officers from the San Diego Police Department arrested the shooter near Rancho Bernardo Road and Interstate 15 in Rancho Bernardo. He was taken into custody without incident.

Suspect Information

The suspect in this shooting has been identified as 19-year-old John T. Earnest of San Diego (DOB 6/8/99). At this time, the Sheriff's Department is serving search warrants at Earnest's home, car and the synagogue. Detectives are also looking into the authenticity of online claims he wrote a manifesto. Sheriff's Detectives are working with the Federal Bureau of Investigation (FBI), Bureau of Alcohol, Tobacco,

Firearms and Explosives (ATF) and Escondido Police Department to check Earnest's possible involvement in the arson and vandalism of a mosque in Escondido on March 24th.

Victim Information

Four people were wounded in the shooting. They were all rushed to Palomar Medical Center in Escondido. Trauma surgeons say a woman did not survive her injuries. A rabbi underwent surgery after suffering gunshot wounds to his hands. A 34-year-old man and a child were hit by shrapnel from bullets. Doctors say they are doing well. The child has since been transferred to Rady Children's Hospital.

The County Medical Examiner's Office will determine the cause and manner of death of the victim, as well as identification, pending notification of her family.

The Sheriff's Department expresses its sincerest condolences to those affected by today's incident. Our hearts go out to those going through this difficult time.
